www.davina.us

Davina has been teaching belly dance, sewing and costume design, since '91. She is best known as the author of books on belly dance costume design including the international best selling *Costuming from the Hip* as well as her latest *Embellished Bras*.

Beginning Belly Dance

Beautiful and timeless, belly dance is a fun and creative way to stay fit. Increase your strength, flexibility and range of motion with this elegant and ancient art form. This class will present the foundation movements of this traditional dance including graceful undulations and precision isolations. No matter what your level and experience in dance, all are welcome to join this mixed level beginners class. Questions—email: davina@davina.us

Course #	Instructor	Site	Room	Fee	Start	End	Mtgs	Days	Time
MU4731	Devine-Brown	MAEC	P-3	\$42	4/1	5/6	5	Thu	6:30-8:00
No class 4/15									
This class will focus on Drum Solo Techniques -emphasizing pops, locks and isolations									
MU4732	Devine-Brown	MAEC	P-3	\$42	5/13	6/10	5	Thu	6:30-8:00
This class will focus on up-beat Middle Eastern pop-music interpretation.									

Belly Dance Intermediate/Advanced

Intermediate/Advanced belly dance focuses on developing performance technique, developing combinations and choreographies. Even if you never plan on performing publicly, this class will help you take your dance to the next level of poise, presentation and complexity. This class moves quickly, and requires a basic understanding of the core moves of belly dance. So if you know the difference between a 3/4 shimmy and a hip lift – and want more - this is the class for you!

Course #	Instructor	Site	Room	Fee	Start	End	Mtgs	Days	Time
MU5131	Devine-Brown	MAEC	P-3	\$42	4/1	5/6	5	Thu	8:00-9:30
No class 4/15									
MU5132	Devine-Brown	MAEC	P-3	\$42	5/13	6/10	5	Thu	8:00-9:30

The Intermediate class is “workshop-style” with a different subject accessed each week. Topics include, entrances and exits, choreographic and improvisation techniques, developing personal style, developing transitions and much more. Students will help select topics of interest during the classes.
